PRESIDENT'S MESSAGE

I hope you are all planning to attend our meeting this month at the Oral School!! We have a most interesting visit planned!! Not only will there be tours of the school facilities, but you will have an opportunity to see the children at work and at play in the classrooms!! The children's parents will also be there to discuss how the school has impacted their children's lives.....This can be a great outing to visit with your friends if you car pool with two or three other members. By following the map reproduced in this newsletter, you should have no problem finding the school. Those of you who cannot or would rather not drive should call me to make arrangements for the school van to pick you up. I am looking forward to seeing you on February 20.

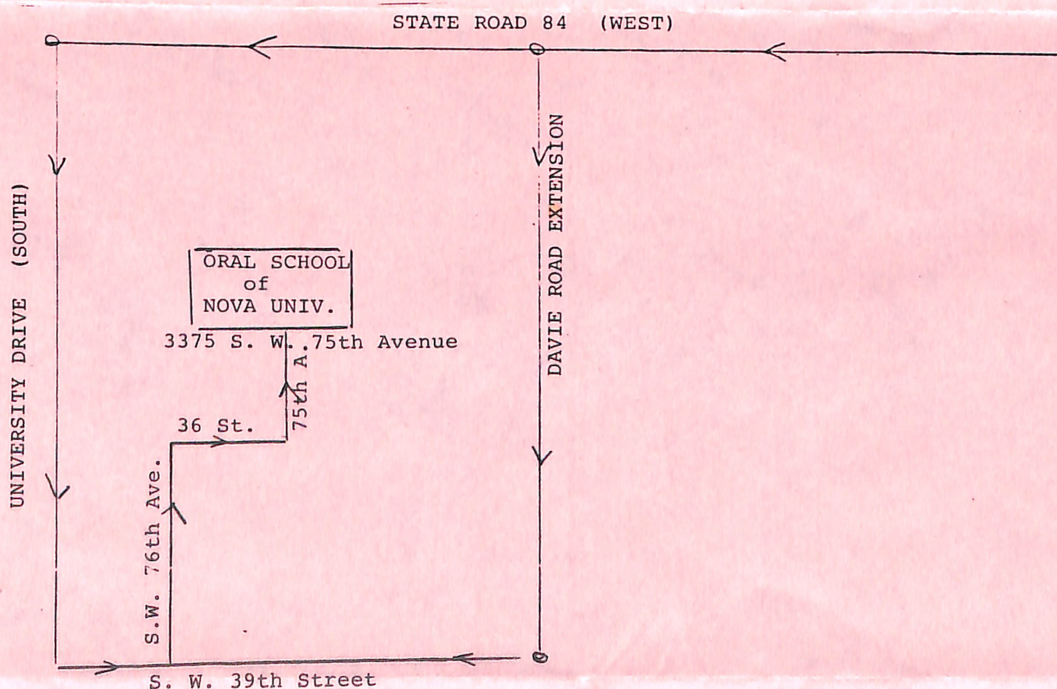

Love, Betty
